

REMARKS

Favorable reconsideration of this application is respectfully requested.

A new Abstract believed to be in more proper format under United States practice is submitted herein.

Claims 1-7 are pending in this application. Claims 1-6 are allowed. Claim 7 was rejected under 35 U.S.C. § 101.

Initially, applicants gratefully acknowledge the early indication of the allowable subject matter in claims 1-6.

Addressing now the rejection of claim 7 under 35 U.S.C. § 101, that rejection is traversed by the present response.

Claim 7 is amended by the present response to now be directed to:

A disc medium for causing an information processing
apparatus to deal with moving pictures to execute a program
comprising ...

By the presently submitted amendment, claim 7 is now clearly directed to a tangible device of a disc medium. As such, claim 7 is believed to be clearly directed to statutory subject matter.

Moreover, applicants submit the process operations recited in claim 7 clearly set forth concrete, tangible, and useful result of the readable medium having instructions stored thereon.

In such ways, applicants submit claim 7 as currently written is directed to statutory subject matter under 35 U.S.C. § 101.

As no other issues are pending in this application, it is respectfully submitted that the present application is now in condition for allowance, and it is hereby respectfully requested that this case be passed to issue.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
